David and P2-wide M&A team,

David, **attached is the revised versions of the M&A text for the semi-annual PREDICT report (MS Word, tracked changes)** where we addressed UCD's comments. **Also, here is a link for the revised M&E appendix for M&A,** where I made edits and responded to the comments from Tracey and others (but left the comments in for now).

REDACTED REDACTED

P2-wide M&A team: Sorry for not soliciting your input earlier, we were up against a tight deadline and sent over the M&A section to UCD for their feedback. **If you have any new modeling (or analytical) developments you would like to include in this section, please let us know ASAP and we can include it!** For example, not sure if UCD wants to put in the Spillover App updates here, we can also add them to the powerpoint appendix and M&E list.

Please let me know if you have any questions.

Cheers,
Kevin
